EBTX Registration Package Summer - 2018

Registration:

01. Students must register for the courses they wish to attend. Without registration no one is allowed to attend classes.
02. Students may register for 12-18 credits (maximum 8 courses) in a semester.
03. The optimum size of each class is 46 students. A section may not be offered if less than 10 students enroll for it.
04. Registration must be confirmed with appropriate payments by the specified deadline, as indicated in the “**tuition payment structure**”. Failure to confirm registration by the deadline will result a student to be barred from attending classes.
05. Section change within the same course is not allowed once the semester begins.

Examination:

06. The Schedule for the midterm and the final examinations is provided with the booklet (**Registration Package**). It is student’s responsibility to select courses in a way so that those match with class and examination schedule.
07. Special mid-term will be allowed only for humanitarian ground. The students must apply to the Vice-Chancellor through Controller of Examination for special midterm exam. Decision to be given by honorable Vice-Chancellor. A fee of TK.1000/- per course will be charged for special midterm examination.
08. Students may be allowed to seat for special final exam on humanitarian ground, if the Head/Coordinator feels appropriate, the application is to be submitted to the ACAD with 07 days of the completion of exam for the approval of Controller of Examination. A fee of TK.1000/- per course will be charged for special final examination.
09. A student is required to attend 70% classes to be eligible to sit for the semester final examination on a particular course. However, if a student attains 50% to less than 70% attendance, s/he can still attend final examination with a fine of Tk. 1000/- for each course after being permitted by respective Dean/Head.
10. Students attaining less than 50% attendance shall not be allowed to sit for final exam.
11. Students having zero attendance shall not be allowed to sit for mid-term examination except being permitted by the Vice Chancellor

Academic Dismissal:

12. A student will be dismissed from university if his/her GPA fall **below 2.00** for consecutive 3 semesters, or gets F,X,Y grades in fourth attempts, or breach any of the university regulations.

Semester Leave:

13. A registered student who requires semester leave on valid ground must obtain permission before the commencement of the semester. The length of leave is a maximum of two semesters .The student taking semester leave must pay TK.1000/- as semester leave fee.

Semester Drop:

14. A registered Student must pay only semester fee of the semester if s/he applies for semester drop within one weeks of the commencement of the semester in presence of their Guardians/Parents, and after this time limit, s/he is liable to pay 100% of total payable amount for that particular semester. For semester drop, Parents/Guardians must remain present while submitting application.

Course Improvement/Retake:

15. i) For an ‘F’ grade & Improvement of any grade the course must be repeated within the next 3(three) consecutive semesters but pre- requisite course/s must be repeated on priority basis.
ii) As for the improvement of grade of any course, the incumbent student may be allowed to repeat for improvement of that course only once if s/he earns up to ‘B’ grade. It must be taken within the next 3 (three) consecutive semesters.
16. Students are required to complete total credits of the program.

Rules of Registration for the Semester of summer -2018

The students are informed to complete their respective registration by following the conditions mentioned below:

1. Sections cannot be changed after registration in any way.
2. Overlap examination is not allowed for extra credit or course retake.
3. The students having CGPA below 3.00 in Diploma must take extra courses (PHY –I and PHY- I Lab for 1st Semester and TTD for 2nd Semester).
4. The sections for Lab courses must be selected in accordance with the sections of Theory courses. For example: Theory (Section: A) = Lab (Section: A or B), Theory (Section: B) = Lab (Section: C or D) and so on.
5. The students must check examination schedule properly before starting the process of registration.
6. In the class schedule, the boxes in white show theory courses and the boxes in different other colors show respective Lab courses.
7. The Lab courses will be conducted in respective Lab rooms.
8. After submitting the registration request for approval, the students must keep in touch with the assigned teacher until the registration gets approval.
9. Only for 7th Semester:
A, B and C section for the Computer Lab course falls under A and B section of Computer Theory Course. Similarly, D, E and F lab sections fall under C and D theory sections and G, H and I lab sections fall under E and F theory sections. So, the students of 7th Semester must maintain the above mentioned distribution of lab and theory section for Computer course during registration.
10. If any student wants to be in a section which he/she was never in before, then he/she must complete registration before the section is filled up.

The students registering for Industrial Attachment must keep in mind that they cannot have any unregistered course after completing Industrial Attachment. So, if they have any unregistered course(s), they must register those with Industrial Attachment (The maximum credit hours allowed to be registered with Industrial Attachment in a semester is 18).
